11

How many more ice-creams do you need to get a total of 15?

13

How many more bananas do you need to get a total of 12?
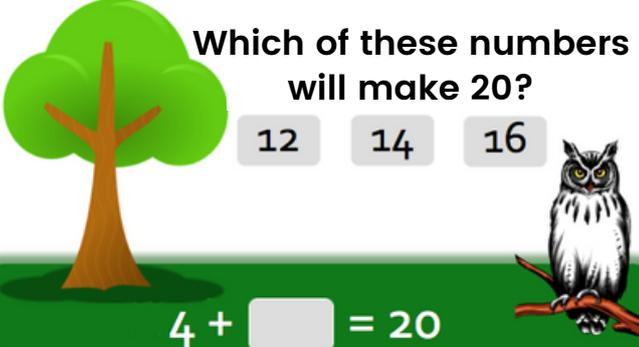

9

How many more eggs do you need to get a total of 14?
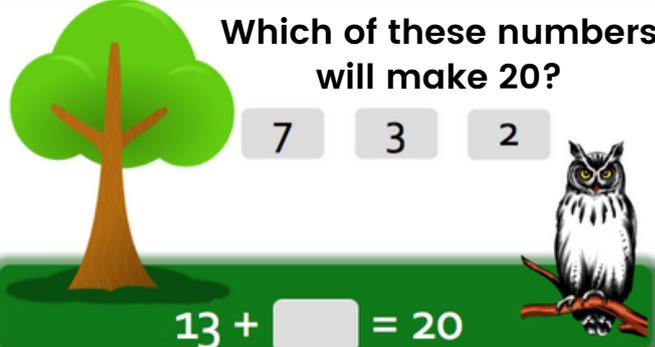

9

Name: _____   Date: _____

Number Bonds To 20

Write the correct answer in the empty box.

**Which of these numbers will make 20?**
12   14   16

$4 + \boxed{} = 20$

Which of these numbers will make 20?
7   3   2

$13 + \boxed{} = 20$

Which of these numbers will make 20?
4   16   6

$14 + \boxed{} = 20$

Which of these numbers will make 20?
12   8   18

$12 + \boxed{} = 20$

Which of these numbers will make 20?
9   10   1

$11 + \boxed{} = 20$

Which of these numbers will make 20?
18   8   12

$2 + \boxed{} = 20$

Which of these numbers will make 20?
18   20   12

$0 + \boxed{} = 20$

Which of these numbers will make 20?
1   9   10

$10 + \boxed{} = 20$

Number Bonds To 20

Which of these numbers will make 20?

12   14   16

4 + **16** = 20

Which of these numbers will make 20?

7   3   2

13 + **7** = 20

Which of these numbers will make 20?

4   16   6

14 + **6** = 20

Which of these numbers will make 20?

12   8   18

12 + **8** = 20

Which of these numbers will make 20?

9   10   1

11 + **9** = 20
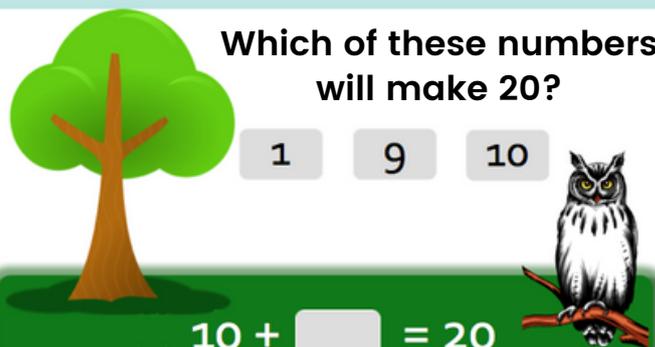

Which of these numbers will make 20?

18   8   12

2 + **18** = 20

Which of these numbers will make 20?

18   20   12

0 + **20** = 20

Which of these numbers will make 20?

1   9   10

10 + **10** = 20
