# Why Count?

How many...

Windows in a house?

Whiskers on a mouse?

Times did you bounce that ball?

Teeth in your mouth, in all?

To find out... count!

Draw something you can **count**, like 2 clouds or 3 houses.  
**Count** them out **loud**.

# Clown Town

      
How is life in Cl    n T    n?

Let's take a trip n    .

The cl    ns make you smile—

They'll turn a fr    n

upside-d    n.

Draw yourself as a **clown**. **How** would you look?

Will you wear a **gown** or a **crown**? Will you wear a silly wig?
